1. We thank God for 23 new believers that were baptized after our relief team training on December 31st. Then after our first mission in January, another one is ready to be baptized.
2. We thank God for protection in the middle of some heavy fighting where our teams could evacuate wounded and none of our teams were killed. As you may know we've already had 77 of our team killed and over 200 wounded, so we thank God every time we don't lose someone.
3. We thank God that while we're here in Burma, we are able to send another team to respond in an emergency occurring in northeast Syria.

Requests:

1. We asked that more people would come to follow Jesus everywhere we go.
2. We asked for protection from spiritual as well as physical attack.
3. We asked for wisdom and more provision to help more people in need.

"We have over 150 relief teams in Burma. I'm currently with them right now and we pray for more and the abilities to support them, which means more wisdom and more funds. Also in Syria, pray that we can really help there and also be ready in case Iran breaks open. For Ukraine, we hope to increase our work with the local chaplains and help the people there under heavy attack. Also in the new mountains, we are training again in the spring for new teams to help in NUBA, Sudan. We are also praying to be able to get a helicopter into Thailand first for evacuation medically. That will take a miracle. And on a personal note, praying that our kids keep doing well in school and the door keeps open for them to join us on missions like they do every winter and every summer. And that we can see you all. Thank you so much."

word to summarize this season

"Psalm 77:19 says, for me and for us – your way led through the sea, your path through the mighty waters, but your footprints we did not see – that is how God leads us so surely, even amidst our fear and our mistakes, we give it to Him. He leads us powerfully and surely we are weak, but He is strong. So I thank God because He sent His son Jesus to be with us, which means the impossible is done. We are also so grateful for you, our dear friends at Cypress Creek Church."

SHALOM CATHEDRAL

Praises:

1. Street Christmas Celebration: we took Shalom Gospel Chariot (mini truck stage) in the streets of Ramathandlam, Gandipuram and other villages and shared the gospel and celebrated Christmas with them. The village people joyfully listened to the word and enjoyed the dance and skits.
2. As you know, the pastors here serve God in poverty. They don't have much financial support in their villages. So through All India Pastors Welfare Association, we gave sarees for the pastors wives and dress material for pastors and a small financial support. They were very happy.

Requests:

1. Prayers for Persecution: this year on Christmas day, many churches were threatened and told not to have service. In some places while Christmas service was going on, the Hindu extremists came in, beat the pastors. Even in the shopping malls they destroyed all the Christmas trees, Santa Claus decorations, etc.
2. But among all these things, God helped us to take the gospel to the people. It's all because of your prayers and financial support. I want to say thank you. You stood with us in fulfilling Jesus' command to preach the gospel. And we will keep on doing it in every way we can. Keep us in your prayers and support us. A Decision can change a Life. Have a wonderful Year 2026. We will always pray for you all.

EVANGELSKA CRKVA VO MAKEDONIJA SKOPJE

"I am looking forward to 2026, to what God will bring in several key areas. First, with the Soulcraft Café and the podcast, we are finalising all the key segments envisioned for Soulcraft Church. Our hope and prayer is that both will serve our mission, "to lead people in starting and cultivating their life with Jesus Christ".

Second, I am looking forward to finishing the creation of the various teams. It is exciting to see how my role is changing due to our growth, delighted to see people growing in Christ and overall maturity, as well as to be freed up for more specific ministry contributions such as writing books and materials. In this respect, I am excited to work on an evangelistic course that we will use in reaching more people for Christ.

Finally, I am looking forward to continuing and deepening our partnership with Cypress Creek Church, grateful for our partnership in the gospel so far, excited about new possibilities to minister together in 2026."

ROMANIA
JACOB AND KARINA STARNES
SZEKELYFOLD REGION OF TRANSYLVANIA

"We feel that we are coming to the end of a very long season of transition, and are eager to begin growing a new church plant through evangelism in Transylvania, the region we serve in Romania. We will (hopefully) fly back to Transylvania in March. Our primary ministry platform will be an English teaching school, and so we will need to register a business and search for office space to rent. The school will be financially self-sustaining, but we don't plan on taking in a profit.

- (1) Pray for our hearts to rejoice in this church planting vision. Hope deferred makes the heart sick, and we have had numerous delays this past year.
- (2) Prayers for a smooth transition back, especially for the little kids (ages 5, 4, and newborn).
- (3) Prayers for divine encounters in evangelism, that we would see people come to faith in Christ, join us in discipleship, join us weekly in church gathering, and join us in further evangelism.
- (4) Join us praying FAR in advance, that the church(es) the Lord establishes through us would hold fast to the faith, resist division and falsehoods, and walk in faith by both Word and Spirit."
